

Join our Registered Vet Nurse Catie for our NARCH approved First Aid Refresher course, an interactive session with live models and plenty of practical activities!

The course will incorporate assessment of health, as well as first aid scenarios to practice your skills on!

Catie has been a nurse for 20 years and keeps her finger on the pulse – working as a locum emergency nurse as well as being Senior Rehab Practitioner here at Blue Bear. She has extensive experience training veterinary nurses and VCAs and holds relevant teaching qualifications.

SATURDAY

MAY 18TH

10am – 5.30pm

FIRST AID

FOR HYDROTHERAPISTS & CANINE PROFESSIONALS AT BLUE BEAR ANIMAL REHABILITATION LTD

Join us at our state-of-the-art center with dedicated classroom for a NARCH approved Canine First Aid Refresher course. 6 hours CPD on all you will need to know for an emergency and to keep your registration up to date! This course is suitable for other animal professionals too such as groomers and dog walkers.

£75 per person including refreshments, lunch and CPD certificate.
